Letter From Vice President, *David Welch*

Shalom! As an American-Israeli, it brings me deep joy to help connect Christians with the Holy Land and other faith-rich destinations around the world. Whether you're a travel advisor or a guest joining us on a journey, thank you for considering working with us for your pilgrimages and faith-based retreats.

Psalms 84:5 says, "*Blessed are those whose strength is in You, whose hearts are set on pilgrimage.*" That truth is at the core of everything we do. At ETS, we believe each itinerary offers more than a trip, it's a sacred opportunity to draw closer to God.

We are honored to walk alongside you in 2027 and beyond as we explore new locations, return to timeless sites, and continue creating unforgettable, faith-deepening experiences together. May each step of the journey be a blessing to you, rippling out to those in your communities!

Why ets?

The Heart of ETS

In the 1970's, Reverend James Ridgway, Sr. began a series of visits to the Holy Land that eventually changed his life. As a pastor, he knew the Bible, but to see it come alive and connect with local believers impassioned him in a way he did not expect. It wasn't long after that he realized he felt called to help others experience the same. They too needed to see with their own eyes the land of Jesus' birth, life, death, and resurrection. Then, what began as a ministry for pastors became the leader in the Faith-Based journeys! During the ensuing years of growth, James Ridgway, Jr. joined the company and brought with him fresh ideas like faith-based cruises, river cruises with exclusive faith-based excursions, and taking land tours to every continent! Then, after more than forty years leading the way, James Ridgway Sr. passed away in 2013, leaving his son, James Ridgway Jr., at the helm. Since then, thousands have experienced the impact of the original mission all those years ago – to change individual lives, the Church, and the ministry through Christian journeys.

Experience Travel with ETS

Let us take care of the details so you don't have to. Let go of the tedious planning details and enjoy the anticipation. ETS takes care of international airfare on nearly all standard journeys, and domestic airfare can almost be added on (additional fees may be incurred). Guests will not have to worry about where to eat, how to get to and from the airport, or opening and closing hours for sites because ETS handles all of that and more! Plus, with a dedicated tour guide and driver, guests can relax and enjoy the journey! Do not worry away your anticipation time. Travel with ETS!

How Do Travel Advisors Work with ETS?

ETS partners with travel advisors to help spread the word about the joy of faith-based journeys. By partnering with travel advisors, more people have access to:

- the benefits of faith-based travel
- following in the footsteps of Jesus
- engaging in Christian history across the globe
- uniting with other believers while enjoying beautiful locations!

In an ever-changing industry, we are glad to have so many travel advisors partnering with us to bring life-changing journeys to the world of travel!

Responding to the Conflict in the Holy Land

For over 50 years, our commitment to providing safe and enriching travel experiences in the Middle East has been unwavering. The region has seen its share of turmoil, from the two Gulf Wars and waves of terrorism to the shock of 9/11, the 2nd Intifada, the 2nd Lebanon War, multiple Gaza conflicts, the Arab Spring, and the Egyptian Revolution. While a few of these crises came with prior warnings, our guests' safety always took precedence. We are blessed to share that throughout these tumultuous times, not a single pilgrim on our Holy Land tours has ever been harmed.

Except for the 2nd Gulf War, which had minimal direct impact on Israel, most conflicts ended as abruptly as they began, and once conditions were deemed safe, tourism quickly resumed. Our recent response to the Hamas attack in Israel exemplified our efficiency and commitment. In just 48 hours, we successfully evacuated our guests from Israel. We immediately initiated the process of rebooking and issuing refunds, swiftly addressing the disrupted itineraries.

As an additional benefit, some of our groups redirected their journeys to neighboring Jordan, turning an unforeseen challenge into a unique opportunity to explore its rich cultural heritage and historical sites. Our dedication has consistently guided us through tumultuous times in the Holy Land, allowing us to provide your guests with memorable and faith-building experiences.

Travel Protection is the Safe Choice

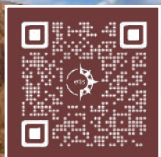

A travel protection plan is a wise investment for those seeking a stress-free trip and protection of their travel investment with a wide range of coverage for a range of unforeseen circumstances, such as trip cancellations and interruptions, medical emergencies, lost or stolen luggage, and flight delays or cancellations. By purchasing TripMate's plan, your guests can embark on their journey with confidence, knowing they are safeguarded against the unexpected.

Their Cancel for Any Reason Waiver Benefit program is particularly valuable in today's uncertain travel environment. Travel plans can change rapidly, and many guests are hesitant to commit to non-refundable bookings. This program allows travelers to cancel their trip for any reason and receive a voucher for the full amount of their trip cost, minus the cost of the protection plan, providing flexibility to change plans without losing their investment.

With its exceptional value, this travel protection plan provides peace of mind and flexibility for your guests planning their Christian Journey of a Lifetime.
